MD, HMRL Mr NVS Reddy reviewed the progress of the ongoing urban rejuvenation works across Metro corridors with HMRL engineers and contractors today (Wednesday). While reviewing the speed at which works are progressing, he said that the time available is short and hence the pace has to be further increased so as to complete all the works within the set deadlines. He goaded the architects, contractors and engineers to utilize the opportunity in redesigning Hyderabad as one of the most competitive cities in the world. He advised them to work in tandem in realizing the dream of The Chief Minister Mr. K. Chandrasekhar Rao and Municipal Minister Mr. KT Rama Rao and said that they are closely monitoring the daily progress of works. Appreciating the daily updation by some of the engineers, architects and contractors on the progress of works assigned to them, he warned those who are not complying with the instructions and strictly said that any lapse or lethargy in the process will not be tolerated. MD also advised the horticulture officers of HMRL to immediately take up the plantation works in all the Metro stretches where the rejuvenation works are in progress.

Mr. Reddy has shown a power point presentation on some of the landscaping works and city scaping works in cities of Japan, America, Europe, South Korea, Germany, Switzerland, etc., to the contractors and architects. In the presentation he has shown images of the sidewalks, carriageways, public spaces, etc in those cities and said that it is the vision of the Chief Minister to transform Hyderabad in a similar way to become as the most vibrant city in the country. He appealed to the denizens of the city to take up individual responsibility in keeping the city clean and green.

Chief Engineer (Electrical) Mr. DVS Raju, Chief Signal and Telecommunication Engineer Mr. K. Lakshman, SEs Mr. M. Vishnuvardhan Reddy and Mr. C Vinod Kumar, General Manager (Works) Mr. BN Rajeshwar, engineers and officers of HMRL, architects, suppliers and contractors participated in the presentation and review.
