

Media Release

July 12, 2017

As a part of the Government's flagship programme 'TELANGANA KU HARITHA HARAM', HMRL has started its plantation programme today (12.07.2017) at Miyapur station. MD, Mr.NVS Reddy and his team planted saplings at Miyapur station and speaking on the occasion, the MD stated that HMRL would plant 5 lakh ornamental plants, shrubs and avenue plants this year mostly in the central median under the Metro viaduct and along the Metro corridors and in nearby colonies.

Specially chosen ornamental foliage plants like Ficus black, Ficus panda, Plumeria, etc and flowering shrubs like Jatropha, Allamanda, Plumeria, Leucophyllum, Bougainvillea, Lantana, Amaranthus, Tecoma capensis, Tecoma guadichaudi, Hamelia patens, etc., are being planted in the central median of the viaduct. Avenue plants like Raavi, Neem, Kanuga, Pogada, Spathodea, Tabebuia, Mahogany etc., are being planted along the Metro corridors, Metro station areas and nearby colonies connecting the Metro areas. Apart from being an aesthetic and eye pleasing visual delight, these plants will also play a major role in reducing the dust and noise pollution in the city.

Mr. Reddy said that as per the instructions of the Chief Minister Mr. K. Chandrasekhar Rao and Minister, MA&UD Mr. KT Rama Rao, HMRL has taken up beautification of station surroundings and urban rejuvenation works in Miyapur - SR Nagar stretch as a pilot project and the same will be replicated at all the Metro Rail stations over a period of time. Once completed, all the Metro Rail corridors will become quality public spaces with picturesque & aesthetic promenades, designated art & activity areas and entertainment zones that are safe and will sustain the ecological balance by enhancing the urban rejuvenation of this historic city, he added.

Chief Engineer (Electrical) Mr. DVS Raju; SEs Mr. M. Vishnuvardhan Reddy and Mr. C Vinod Kumar; GM (Works) Mr. BN Rajeshwar and senior officers from HMRL participated in the plantation programme.
